

I heard that some had trouble with the video on Facebook. Here is the message Ryan posted and the video.

Godspeed brethren,
Sister Joy

Dear brethren, I have glorious news from the brethren in Australia! Jesus saves! The following video was initially made for my family, especially my daughter Hadassah. It was in large part a plea from our newest sister in Christ who is 7 years old, Arlia, to my 3 year old daughter Hadassah! I post it on the Church of Wells secret page with the hope that you all will be edified to see Christ in our sister Arlia, and with the hope that perhaps you could share the video with your unsaved children to spark a holy jealousy in them also to be saved! The baptism video for our Holy Ghost inhabited sister Arlia will Lord willing be finished in a week. Love you all in Christ!
