

Dearly beloved brethren,

Attached is the document ("Old Testament Ceremonial Law Fulfilled By Chris") which contains the Commentary on the Book of Matthew which I mentioned on Sunday. Chapters 1 through 13 are covered.

I do not address the sermon on the Mount in the aforementioned document but I have written on that (see "The Sermon on the Mount"), so I attached that document as well in case any of you wanted to study the Sermon on the Mount in detail.

Also in the first document I did not go into detail on Matthew Chapter 13, but I have written on that as well and I have attached that for you in case you wanted to know where you could read about that if you feel led (it is called, "Seeming Contradictions - the parables of Jesus Christ").
