Subject: I just sent this to Bob Doom, brethren will you pray for me! Holly, will you please send this to the brethren to pray?

Dear brother Bob, please give a moment of your time,

I have been praying much for you, brother Bob, and for your wife Sheila. Indeed I have prayed with many tears for you both on numerous occasions in the mighty presence of the God of all the earth, all by the grace of Christ and His Spirit within me, because I love you both very much, though I have not met either one of you in person. Brother, I love you all because I believe you to be true Christians, that have known the ways of God, that have loved holiness, that have loved the true Gospel of Grace, that have loved the Lordship of the biblical Jesus Christ, Who is on His Throne right now above every name that is named not only in this world but also in that world which is to come - all principalities and powers and things named in heaven and earth and beneath the earth being at His worthy feet even as I write this!

But brother, I have not heard from you and I don't know why? I do not say this with any frustration or wrath in my heart as far as I know it, only with an earnest concern, brother. I have e-mailed you around 4 weeks ago with earnest care, kindness, and integrity, giving you my number and asking you to respond to me, with all kindness and honest sincerity as far as I can judge my own heart; I also e-mailed you around the Summer of 2013 with a heavy burden I will admit but it was in love for Christ and His glory and you my brother, and no response was given to that e-mail either. Under God, I hope that you both are well brother, but under God I am concerned as to why you have not responded to any of my e-mails, and according to the written Word of God which demands true charity between God's Saints above all things -- which is kind, longsuffering, doth not that which is unseemly, believeth all things, hopeth all things, and thinketh not evil, et cetera -- I believe I should be should be concerned, dear brother. I refuse and may I ever refuse to say as Cain in regards to Abel, "Am I my brother's keeper?"

Perhaps you were offended at the letter I send reproving and rebuking what I considered to be sin against our great King, if so please don't forsake the Word of God brother, and avoid me, thus forsaking all charity and hardening your heart without a legitimate cause against me, rather please tell me why you are offended if you are according to the Word of God, that blessed King James Bible as for English speakers, and may the Lord Jesus Christ before Whom I live, breath, pray, and stand by grace, help me to hear any legitimate burden of sin on my part. I only wanted to honor Him in writing it, and I did not want to hate my brother in my heart and suffer sin upon him (Lev. 18:5), but I wanted to be faithful to you and I truly hope you would desire to be faithful to my soul if you though there was sin in me. I want to see sin if it is there, brother, truly my heart is as the dear Saintly Murray M'Cheyne, "Lord make me as holy as a saved sinner can be!" Brother, does not our worthy King, Jesus Christ, the Living God demand in His written Word (which you and I both love and consider ourselves to be ruled by in all matters of faith and practice), that we should seek unity, that we should love one another, that we should follow peace with all men (Heb. 12:14)?

*"I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, With all lowliness and meekness, with longsuffering, forbearing one another in love; Endeavouring to keep the unity of the Spirit in the bond of peace."*

(Eph 4:1-3)

Brother, I am currently on the road heading towards Asheville, North Carolina, where I believe that you live. Are you available to meet, dear brother? I desire to meet you in person with earnest charity in my heart and I desire for the glory of Jesus Christ in our meeting! Is He not pleased when true brethren dwell together in unity? Is not that where He commands the blessing, brother? (See Psalm 133:1-3). I am with my dear and godly wife, Joy Ringnald, who also loves you both brother, and I am with my 2 sons, Nahum Samson Ringnald and Caleb Uriah Ringnald, and my 3 year old daughter, Haddasseh Salah Ringnald.

May we stop by and see you, brother, and perhaps your wife? I have e-mailed you a number of times and you have not responded, but would you please respond to this message as promptly as possible, so that I might know what is going on or what you might have heard about me to not respond, if you have indeed received my e-mails, brother? I will answer and give an account for anything brother, you might be concerned about. Slander, accusations, doctrine, please just let me speak to you brother.

Brother, I loved you much when I spake to you on numerous occasions on the phone about your dear Father-in-law,

also we spake about Vlado and Ruth, and about many other mighty men of God of the past whom I know in the Spirit of God to be my true kindred in our dear Lord Jesus Christ. I know that you have loved them too, dear brother, and named many of your children and grandchildren after them. Thus again, may we please meet with you brother? FYI, currently we are about 9 hours away in Mississippi, traveling East-bound on I-20.

We do have plans to be somewhere tomorrow night around 5 hours away from you in Virginia at a dear brother's house we believe, but aside from that we could meet tomorrow morning, or tonight, or anytime if you are able, brother. We will be sleeping in the car most likely somewhere around Asheville.

Your brother-in-Christ, living for the glory of God with all of my heart and cleaving to the written Word of God, the Gospel of grace, faith and a good conscience in Jesus Christ unto death, no matter the cost, Ryan Ringnald, "hidden with Christ in God."
