

Dearly beloved brethren in the Lord Jesus,

I wanted to let you know in case I had not ever told you, there are two appendixes which have been added into the book, "Answers to My Brethren, the Calvinists". Until this latest email in which I sent you a copy of the final draft, these appendixes have not been made available. Also I would have you know that in one aspect, appendix #3 is one of the most effectual and concise arguments I have ever been enabled by God to write, and it is filled with links to "The Condescension of God" so that the reader is made aware of more thorough answers than what are immediately provide in that appendix.

For those of you who are preparing for the battle ahead (the Dry Gultch mission), that appendix is of particular importance. Please take note of this and may the Lord lead you in your studies. God bless you dear brethren, in the Name of Jesus Christ the King.

PS. Please be in continued prayer for our beloved Australian brothers who are under persecution so much so it has drawn the attention of the media. Please remember them and be bound with them in the trials that are before them, for they will need courage, humility, wisdom, and perseverance to do the will of God in this heated time. Let us be mindful of the beasts of Australia against which they fight, and thus be empowered in some way to refresh them with our prayers, service, encouragement, and praises on high (as thanksgiving abounds that they have been counted worthy to suffer for God's Name sake, and to be a follower of us in like persecutions that we have suffered of our own countrymen). To God be the glory!

Amen.
