Beloved Brethren,

Attached is the doc. I was telling you all about. It is still a work in progress and will still need to be revised and edited more, but since I preaching on it I wanted to make it available to you all. It is I a worthy condition to read, I believe.

Please keep in mind what I said at the end of the assembly. I believe this is the word of the LORD concerning the season that we must enter into as soon as possible:

Jos 5:2 At that time the LORD said unto Joshua, Make thee sharp knives, and circumcise again the children of Israel the second time.

Jos 5:3 And Joshua made him sharp knives, and circumcised the children of Israel at the hill of the foreskins.

We need direction from the LORD what to do, exactly, and if He would have us have meetings so as to set our face in this regard.

Thank you.
