Dear Christine,

Though we love you very much, we do not have liberty to engage in this email conversation with you. It is clear that you are under a delusion about the events that happened leading up to and at the time of your departure (events which happened among many witnesses, events which you are slandering). It is also clear to us and confirmed that you have (and likely still do) slandered us around the country, damaging many! Because of this, and other things I will forbear to mention, and after much prayer and brokenness concerning your estate, we have concluded that Psalm 101:4-6 is the mind of God toward you (in a New Testament sense). We do not desire to engage in any more conversation with you lest you slander us even more than you already have, damaging even more souls which are abroad. I beg you to consider this passage of scripture before God in all necessary fear, and with repentance and mourning over your outstanding sins:

"A froward heart shall depart from me: I will not know a wicked person. Whoso privily slandereth his neighbour, him will I cut off: him that hath an high look and a proud heart will not I suffer. Mine eyes shall be upon the faithful of the land, that they may dwell with me: he that walketh in a perfect way, he shall serve me." - Psalm 101:4-6

Truly we love you, in the Spirit of Christ, and we do not desire you to go the way of Cain.  
Sincerely,  
Sean on behalf of the Church of Wells
