

Please consider the following pictures and repent.

The first is the shower in the house of the same family below. We had supper there this night. They have no running water in the house, the roof and walls are not sound, and still this house and bathroom are much nicer than the house of another family in the church that we visited last night. O! God help us repent, dear brethren. We came to Wells and saints have fallen away and been given over to covetousness because the poverty and inconveniences that we have been made to experience here... What a shame. Lord, have mercy on us.

The family (Luis and Deborah) have two other children, and the other is in the hospital and has been in intensive care since he was born four months ago. We went and anointed him with oil and prayed for him. Pray for this family and for little Micaias (Micah), that the Lord would be very near to them and comfort them during this time, and raise him up.

Lastly, pray for Matthew as he has his second interview in the morning (7:30), Lord willing, with the Embassy. Pray for divine favor and the Lord's perfect will to be accomplished.

I expect to be brought unto you shortly.

Amen

Yours Truly,
Jake
