

Dear Brethren,

By the grace of our King I have reached the end of the writing project. There is some editing to do but I believe it is worthy to be sent to you all. The table of contents still needs to be given page numbers. Also, I need to have Holly edit it (or my wife, again), but I hope the changes will be minor from there. Also I need to add in the correlating sermons in the doc. by hyperlink.

I wanted to sent to you the full copy so that I can correlate the sermons that I have preached with certain chapters that you can read which are written on the subject of that sermon.

The sermon below called "Controversies of Justification: Can a regenerated man fall into a damnable condition?", this is a sermon of CHAPTER 3: "A Justified, Regenerated, & Righteous Man TURNED Into an Unjustified, Wicked, Sinner Again – *temporarily*". See the table of contents and you can see the chapters and sections outlined.

The sermon called, "Whole-hearted Pursuit of God - DEFINED" is based upon a section in chapter 1. Chapter 1 is called - CHAPTER 1: "If we sin wilfully" – Heb. 10:26. The sermon called "Introductory Sermon - Sanctification" is addressed at great length in chapter 1 as well. The sermon "Slipping" is addressed in chapter 5 called, CHAPTER 5: "The New Testament Curses of God – *promises breached*". The section that you should begin reading at to see a detailed explanation on Leviticus 26 and the difference between slipping, fallen, and reprobated, see the section in chapter 5 called, "Differing Phases – NT curses are non-damnable and damnable in their operations". If you read from that section onward then you will see a written address of the sermon "slipping". The sermon called, "Intercession and What is Revival" is found in chapter 5, chapter 6, and chapter 7. A list of the sermons hyperlinked are below.

Previous Sermons of relevance:

- 1) --- - [Controversies of Justification: Can a regenerated man fall into a damnable condition?](#) (this message is titled "Matthew 18" on the secret page...it needs to be changed)
- 2)---**Whole-Hearted Pursuit Of God - Defined**

Most recent three sermons:

1. **Introductory Sermon - Sanctification**
2. **Slipping**
3. **Intercession and What is Revival**

I have had some brethren seeking an understanding on where they should begin reading. I hope this gives some clarity. I am sorry for any confusion...

I love you call in Jesus' Name.
