

Dear Brethren,

Sister Anna, by God's grace, has been granted tunes for, and has recorded, Psalm 67, a paraphrase of Moses' blessing (Num. 6:24-26) and has also rerecorded Psalm 20 (all attached below). Pray for her as she perfects a tune the Lord has given her for the blessed 37th Psalm. She may record better versions when she returns if God wills, and also even add accompaniment, God willing.

Also, pray for this burden as the Lord is giving many songs on many sides - pray that these children would come to the birth! Sister Holly has a very gracious version of Psalm 90 (with Taylor accompanying), Sister Kaylyn was given a very spiritually compelling prophetic song for Jason Bellard (sister Miranda was also granted a powerful poem for him that she should have already sent), and there are others I'm sure... Dearly beloved, pray, and let us be faithful where our brethren have not been lest we fall after the same example.

Godspeed,
Jake
