

Beloved brethren in the Lord Jesus,

We just got home a little while ago from the Thursday evening prayer meeting. I preached on fasting, praying, and heavenly vision. The Lord was with me, but this is not why I am writing you. The elders have been taking these days to study and pray concerning what we have been meeting about ("falling from grace"), and Alfonso came into the meeting with great joy and rejoicing, and he began to fervently share with me the revelations he has been receiving regarding falling from grace...he also told me that him and Eder are in the same place! These two are the strongest of the four and they are turned to the truth of God's word- PRAISE GOD!!!

Please keep Junior and Martin in your prayers... where this will all go from here I do not know, but Alfonso asked if he could spend all day with me tomorrow. We also will be having a "vigil" tomorrow night (this is what they call a "night watch"). Please keep me in your prayers because Alfonso is asking me to preach at every meeting...thus the burden is heavy upon me to have and execute the burden of the Lord in a worthy measure at all times.

To God be the glory! Great things He hath done!
Glorify Him, Church of Wells!

Godspeed in the name of Jesus Christ.
