Dear brethren,

Brother Mark has finished recording all of the parts to Chapter 1 of Sean's new book. (I apologize, in the last email I said that he recorded the first two chapters, but in actuality he had recorded only the first two sections of the first chapter of the book).

You may listen and download them easily from the Sean's secret page on the church website. You will see a new section on the left-hand column entitled, "Volume 1: The Church Realized AUDIO BOOK"

God bless you brethren,
