

Beloved Brethren,

Attached is Volume #1 Chapter 3. I wanted to provide this for those of you who have finished the former Chapters. Seeing that all these Chapters flow together step-by-step, I wanted to make sure to make it available for your learning in the Lord. My wife is in the process of editing Chapter 4. Godspeed dear brethren, and may the grace of our Lord Jesus Christ arrest us as captives and lead us higher into the heights of Zion's peaks! Oh to abide forever in the place of His glory! Oh to look and stand steadfastly in the presence of His glory while on earth!

- Brother Sean
